thanks you for your service*

My Dear Fellow Pilgrims,

I realize this is February already, and you've heard me say I don't do New Year's resolutions. It's true, because I believe if we find need for a change in our lives it is best to begin right away, rather than waiting for the arbitrary date of January 1st. I recently came across an article, however, about making a spiritual resolution for 2012. The article made such an impression I want to share some of the information with you that we might consider such a resolution a full month into the New Year.

Here are some spiritual disciplines, routines and practices to spirituality we may wish to focus on in this New Year.

1. **Read the work of an unfamiliar spiritual writer.** Classic and contemporary writers provide a feast of spiritual food. Consider one of the following to get started:
 - a. A Celebration of Discipline: The Path to Spiritual Growth by Richard Foster.
 - b. The Long Loneliness: The Autobiography of the Legendary Catholic Social Activist by Dorothy Day.
 - c. What's So Amazing About Grace? by Philip Yancey.
 - d. The Story of a Soul: The Autobiography of St. Therese of Lisieux by St. Therese of Lisieux.
2. **Learn to fast.** Whether denying yourself food or some other pleasure for a period of time, adopt this biblical practice to deepen your relationship with God. If you do intend to fast in a dietary way, be sure to consult your physician first.
3. **Record your spiritual practices in a journal.** At the end of each day, write your thoughts to God. Reflect on your joys, disappointments, fears, hopes, or anything else that has touched your life that day. As you review your journal from week to week, you'll discover how much you've grown – or need to grow – in your life with God.
4. **Go on a pilgrimage.** Find out about spiritual retreat centers, holy places and other sacred sites in your area or beyond. Spend some time during the year in prayer, meditation and conversation with others at such a place.
5. **Create an area for private prayer in your church.** Find a small area in the church that is quiet and private.
6. **Practice acts of kindness.** Learn about those in need in your area. Then be a "little Christ," as Luther calls us, by offering a kind word, a helping hand or a donation. Look for opportunities to respond to others as you go about your daily activities and commit to at least one such act a day. It will help you focus less on yourself and more on the needs of others – spiritually enriching for you and others.
7. **Adopt the wisdom of the Swedish proverb:** "Fear less, hope more; eat less, chew more; whine less, breathe more; talk less, say more; hate less, love more; and all good things are yours."

All in all not a bad way to go in 2012.

Your Partner in Ministry,
Pastor Gary

Setting the Vision

The first meeting of the Strategic Planning Team for Good Shepherd Lutheran School was held on Monday, January 23. At this meeting, both churches, the School Board, and the Good Shepherd faculty were represented. The goal of this group is to set the vision for the next few years at Good Shepherd Lutheran School and to align our mission with our churches' missions so that the Gospel can be shared with as many people as possible. This group was formed as a result of the Joint Council Meeting held in October of last year and will hold two more meetings in March and May.

Setting the mission and vision for the future is not a one time thing; it is a continual process. Very often, it seems that we set the mission and vision and then it is not carried out as we hoped. This is not a reason for giving up. We are sinners; we mess up the best laid plans. But, even when we mess up, if we have a clear mission, we still move forward. We have to: forget what is past, keep pressing forward, remember there is a goal, and look to our Savior, Christ Jesus, who will complete the work He has begun.

REGISTRATION OPENS FEBRUARY 1

Shepherd of the Valley Lutheran Preschool

"We believe that each child deserves the opportunity to grow and develop in a safe, loving and stimulating Christian environment. Children are treated with warmth and respect, and learn to appreciate their value and importance in God's world."

The month of February will be spent talking about dinosaurs, Valentines day, and healthy living. In chapel we will be talking about ways Jesus shows us He loves us, and how we can show love for others. The children in the bunny room have shared their thoughts on love - "Love is to care. That's nice to do" (Kylie). "Love is hugs and kisses and that's it" (Natalie). "Love is a pink and blue rainbow" (Leilah). "It makes me happy when I love my parents" (Reese). "Love makes me feel happy" (Sawyer). "Love feel like caring for someone in your heart" (Aleks). "When you love someone, you make lots of colors for them" (Nathan).

We are moving closer to our goal of lowering the entrance age at our preschool. The sink in the Kitten room has been installed and we are awaiting the arrival of our changing table. This new addition will be a great advantage for our center, as we will be able to accept children on their 2nd birthday and who are not potty trained.

Have a great Valentines day, and remember it's little things you do each day that shows you care for them.

Call the preschool at **805-526-9069** for more information.

Samaritan Center of Simi Valley

Shepherd of the Valley Lutheran Church serves a meal to the less fortunate at the *Samaritan Center* – located at 280 Royal Ave. on the **1st Wednesday of every month from 4:00-6:00 p.m.**

This is a church service project and **we need help**.

We need volunteers to do the following: buy and deliver food to the Samaritan Center, serve food **or** donate money.

If you would like to help, please contact Yvonne Baird at 584-2521.

Thank you for your prayers and support for this important ministry.

Stamps, Stamps, Stamps

On behalf of the Women's group and in support of various charities here in California as well as around the country, please save used postage stamps. You can leave them on the envelope or clip about 1/4 inch around the stamps, pop them in an envelope or baggie and drop them off in the narthex the next time you visit our pretty little church.

It's quick; it's easy, and it means a lot to the folks we help.

Interface Ministry

As an ongoing ministry of SVLC we collect items for personal care bags at monthly Women's Circles, or by taking your donation to the Church office. These items then go into a care bag and are given to Interface for their Battered Women's Shelters throughout the county. The items needed to make a care bag are (in regular sizes): shampoo, conditioner, brush, comb, lotion, toothbrush, toothpaste, soap, deodorant, tampons, disposable razors, pocket size Kleenex. Last year twenty bags were donated to Interface! Individual size lotion, soap, shampoo etc. from motel/hotel stays are also appreciated, as they are taken to the Samaritan Center for use. If you have any further questions regarding this ministry please contact Jennifer Wacenske @ 581-2923.

STEPHEN MINISTRY

Christ Caring for

- That's the motto of Stephen Ministry.

The Stephen Minister's role is to bring God's love into the lives of people who are going through a difficult time or experiencing a crisis. What do Stephen Ministers do? They listen to you, care for you, support and encourage you, and pray with and for you. And in the midst of this confidential, one-to-one, caring relationship, God's healing love comes pouring through.

People through People

What you should know about Stephen Ministry

Shepherd of the Valley has a system for training and organizing laypeople to provide one-to-one Christian care to hurting people in our congregation called **Stephen Ministry**. All Stephen Ministers receive 50 hours of training in care giving and attend continuing education classes every month that prepares them to listen and care for anyone going through a difficult time. The name Stephen comes from St. Stephen, who was the first layperson commissioned by the Apostles to provide caring ministry to those in need, (Acts 6).

Stephen Ministry began in 1975 when the Rev. Kenneth C. Haugk, Ph.D., a pastor and clinical psychologist, trained nine laypeople at his congregation in St. Louis to be **Stephen Ministers**. They assisted him in providing distinctively Christian care to members of the congregation and community. These trained caregivers were so enthused about their ministry; they encouraged Dr. Haugk to offer it to more congregations. Since that time more than 500,000 laypeople have been trained as **Stephen Ministers** in 50 states, 10 Canadian provinces and 24 other countries.

If you or someone you know is facing a crisis--large or small--and could benefit from the caring presence of a Stephen Minister, call Pastor Gary at 805.526.7577.
